WEATHERBOND

LIMITED LIFETIME MEMBRANE MATERIAL WARRANTY

Subject to the following terms and conditions, WeatherBond® warrants to the Buyer that the WeatherBond membrane material, (MEMBRANE) 60 mils in thickness or greater and utilized in residential applications, will not prematurely deteriorate to the point of failure because of weathering for as long as the Buyer shall own or occupy the building upon which the Membrane was applied, or for a term of fifteen (15) years for membrane less than 60 mils thick, if in both cases, the Membrane has been properly installed, maintained, and used for the purpose for which WeatherBond intended. For all non-residential applications the term of the warranty will be fifteen (15) years for membrane less than 60 mils thick and twenty (20) years for all other thicknesses.

If upon inspection by WeatherBond, the Membrane shows premature deterioration because of weathering within the designated warranty period stated herein, WeatherBond's liability and Buyer's remedies are limited at WeatherBond's option to the providing of repair material for the original Membrane or the granting of credit to be applied towards the purchase of a new Membrane. The value of these remedies shall not exceed the original Membrane purchase price.

To validate this warranty, the registration information must be completed by the Buyer and mailed to WeatherBond within thirty (30) days after the date of sale. Buyer shall give WeatherBond notice of a claim under this warranty within thirty (30) days of discovering any premature deterioration of the membrane. Any claim under this warranty must be made in writing and must include a sample of the membrane for evaluation and response at the Buyer's expense.

This warranty refers to the deck membrane material only. Flashings, adhesives and any other accessories contained in a membrane system are not covered by this or any other warranty, express or implied.

WeatherBond shall not be responsible for the cleanliness or discoloration of the membrane material caused by environmental conditions including, but not limited to, dirt, pollutants or biological agents.

WeatherBond shall have no liability under any theory of law for any claims, repairs, restoration, or other damages including, but not limited to, consequential or incidental damages, relating directly or indirectly, to the presence of any irritants, contaminants, vapors, fumes, molds, fungi, bacteria, spores, mycotoxins, or the like in the building or in the air, land or water serving the building.

This warranty shall not be applicable if the roofing system is damaged by any natural disasters, including but not limited to, lightning, fire, insect infestation, earthquake, tornado, hail, hurricanes, and wind; intentional or negligent acts, accidents, misuse, abuse, vandalism, civil disobedience, or the like; deterioration or failure of building components, including, but not limited to, the roof substrate, walls, mortar, metal work and penetrations; acids, oils, harmful chemicals and the like; foot traffic.

NO REPRESENTATIVE OF WEATHERBOND HAS AUTHORITY TO MAKE ANY REPRESENTATIONS OR PROMISES EXCEPT AS STATED HEREIN.

WEATHERBOND DOES NOT WARRANT PRODUCTS UTILIZED IN AN INSTALLATION, WHICH IT HAS NOT FURNISHED; AND SPECIFICALLY DISCLAIMS LIABILITY, UNDER ANY THEORY OF LAW ARISING OUT OF THE INSTALLATION AND PERFORMANCE OF, OR DAMAGES SUSTAINED BY OR CAUSED BY, PRODUCTS NOT FURNISHED BY WEATHERBOND.

THERE ARE NO WARRANTIES EITHER EXPRESSED OR IMPLIED, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, WHICH EXTEND BEYOND THE WARRANTIES CONTAINED IN THIS DOCUMENT. WEATHERBOND SHALL NOT BE LIABLE FOR ANY INCIDENTAL, CONSEQUENTIAL OR OTHER DAMAGE, INCLUDING BUT NOT LIMITED TO, LOSS OF PROFITS OR DAMAGES TO A STRUCTURE OR ITS CONTENTS UNDER ANY THEORY OF LAW. THIS WARRANTY IS NOT TRANSFERABLE OR ASSIGNABLE.
