

# WeatherBond TPO

## Color Palette

Turn your roof into a canvas with WeatherBond's TPO Special Color Program. The leader in single-ply technology offers more pre-formulated colors than any other manufacturer in the marketplace with reinforced membrane available in 10' x 100' sheets, non-reinforced flashing available in 24" x 50' rolls, and TPO coated metal available in 4' x 10' sheets.

Medium Bronze

Rock Brown

Slate Gray

Terra Cotta

Patina Green

### WeatherBond's TPO Colors In Stock

White

Gray

Tan

\* Color samples printed here are approximations. For actual colors, request a sample of TPO Special Color Membrane.

\*\* Special Color membranes will 'fade' over time mainly due to the ultraviolet portion of sunlight. Since most roof surfaces are exposed to variable sunlight, some areas will be more susceptible to color changes caused by UV fading. Warranties for Special Color membranes do not cover fading of colors.
