

## 80-mil PVC Walkway Rolls August 25, 2023

### To: WeatherBond Roofing Systems' Recognized Contractors

WeatherBond Roofing Systems is pleased to introduce its new 80-mil-thick PVC Walkway Rolls. Also available in a 110-mil thickness, WeatherBond's heat-weldable PVC Walkway Rolls are designed to protect PVC and KEE HP membranes in areas exposed to repetitive foot traffic and other hazards.

#### Features and Benefits

- Increased slip resistance created with a herringbone tread pattern
- Superior weathering package for long-term performance
- Available in gray

The 80-mil walkway roll will be a stock item, and the 110-mil roll will be direct ship.

Product Code	Product Description	Roll Weight	Stocking Location
307711	WALKWAY ROLL PVC 36" – Gray 80-mil	82 lbs.	C, G, T
336712	WALKWAY ROLL PVC 36" – Gray 110-mil	114 lbs.	Direct Ship*

For more information, refer to the PVC Walkway Roll Technical Data Bulletin on the WeatherBond website. If you have any additional questions, please contact your local WeatherBond Independent Sales Representative.

Sincerely,

Dan Allen  
PVC Product Manager
